

CAPABILITY STATEMENT

D. DAVIS ENTERPRISES

Established 2013

OVERVIEW

D. Davis Enterprise LLC provides specialized industrial coatings inspection, corrosion control, infrastructure quality assurance services supporting pipelines, bridges, structural steel, shipyards, and storage tanks, and ground maintenance services specializing in exterior property maintenance and lawn care services. With over 20 years of industry experience, the company supports infrastructure maintenance and rehabilitation ensuring coating performance and specification compliance. The company supports projects across New York, Pennsylvania, New Jersey, Georgia, Florida, Alabama, Louisiana, Texas, South Carolina, Mississippi, and Michigan.

DIFFERENTIATORS

- 20+ years corrosion control and coatings inspection experience
- Multi-state project support across major infrastructure regions
- Detailed QA/QC inspection reporting and compliance documentation
- Experience supporting pipeline, bridge, marine, and industrial infrastructure projects
- Strong understanding of DOT and federal coating specifications

IMPROVE OPERATIONAL EFFICIENCY

Improves operational efficiency by delivering precise industrial coatings inspection, corrosion control, and QA/QC reporting that reduces project delays, ensures specification compliance, and extends infrastructure service life.

CORE COMPETENCIES

- Industrial Coatings Inspection
- Surface Preparation Verification
- Dry Film Thickness (DFT) Inspection
- Environmental Condition Monitoring
- Bridge Coating Inspection
- Structural Steel Corrosion Mitigation
- Pipeline Corrosion Inspection
- Shipyard and Marine Coating Inspection
- Storage Tank Coating Inspection
- QA/QC Inspection Documentation
- Ground Maintenance Services

SOLUTIONS IMPLEMENTED

- Bridge Rehabilitation Projects – Coatings inspection and QA/QC oversight for structural steel rehabilitation.
- Pipeline Infrastructure Projects – Corrosion inspection and coating compliance verification.
- Marine & Industrial Facilities – Shipyard and tank maintenance inspection support.
